

**Murraylands Gem and Mineral Club Inc.**  
**Palmer Crystal & Craft Fair 2022**  
**May 6<sup>th</sup>, 7<sup>th</sup>, and 8<sup>th</sup>, 2022.**

After a break due to Covid 19 we are pushing ahead with plans for the 2022 Palmer Crystal & Craft Fair.

To run the event safely and within the current Covid rules we have made many changes but are hopeful that the weekend will be a success both for our Club and you, our visitors.

We will not be catering to the extent we have in the past, with no evening meals this year. However, our Club will have light meals, Tea Coffee, etc., available during the day.

Palmer Hotel can take meal bookings including takeaways or Mannum has several venues for meals.

Covid restrictions **WILL** apply depending on what is required at the time. We will ask that masks are worn whenever social distancing cannot be adhered to and in all indoor spaces. **PLEASE!!! If you are unwell or have any symptoms STAY HOME...**

All participants and Visitors **MUST** Check in and follow any directions given by Covid Marshals

There will not be an Auction or evening entertainment due to the restrictions. The Metal Detecting Competition will go ahead on Sunday May 8<sup>th</sup> unless changes to rules make it too difficult.

As in the past your sites will be allocated by us but please note **Traders will be separate from those Camping only**. This will make adhering to Covid rules easier and avoid crowds among those just wishing to camp.

We do however reserve the right to Cancel the event should conditions change and in the event of this happening all Camping and Trading Fees will be refunded ASAP. Sadly, we are all becoming used to events being cancelled.

We ask that all attending respect others private space and social distance at all times. Wearing a mask and good hygiene are still the best way to avoid Covid. It will never be the same as past years, but with a little care and thought we feel we can run a successful weekend for us all.

See you there...Kym Loechel, President, MGMC.
